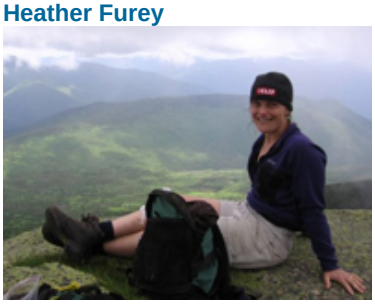
Dr. Amy Bower: Group Members

Dr. Amy Bower
Senior Scientist
abower@whoi.edu

Heather Furey



Research Specialist
hfurey@whoi.edu

Heather joined WHOI in 1997, after completing a M. S. in Physical Oceanography from the University of Alaska Fairbanks. She is responsible for project management and data processing, quality control, and analysis. She particularly enjoys the challenge of concise visualization of scientific results. She also hold a Bachelors in Physics and Studio Art from Smith College. More about Heather: www.whoi.edu/hpb/Site.do?id=209.
