Domini Fund eliminated effective February 7, 2013

Effective February 7, 2013, the Domini Socially Responsible Fund is being eliminated as a core fund available from the 403(b) DC Plan. Any assets in the Domini Fund will be mapped over to the Vanguard Total Bond Market Index Signal fund. This change is being made due to the Domini fund underperforming as well as lack of utilization (only 6 participants in the fund).
