

The Role of The Indian Ocean On Climate

August 8 – 19, 2005

A Seminar Series

Sponsored by:

The NOAA/WHOI
Cooperative Institute for
Climate and Ocean Research

OCEAN AND CLIMATE CHANGE INSTITUTE

Seminar presenters will be at WHOI during the dates outlined below. In addition to giving at least one seminar, each guest will lead an informal coffee break discussion and will be available to meet with interested staff. During their stay at WHOI, the guest speakers will be based in the Henry Stommel Room, 310A Clark.

Dr. Chris Charles, Aug. 13 – 19, Assoc. Professor, Geosciences Res. Division, Scripps

Dr. Stuart Godfrey, Aug. 5- 23, CSIRO Marine Research, Hobart, Australia

Dr. Markus Jochum, Aug. 15 – 19, National Center for Atmospheric Research

Prof. Roger Lukas, Aug. 5 – 13, Department of Oceanography, University of Hawaii

Prof. Toshio Yamagata, Aug. 5 – 12, JAMSTEC & Professor, University of Tokyo

Dr. Lisan Yu, Physical Oceanography Department, WHOI
