Your Choice

Your Deductible

Your deductible is the amount of money you pay out-of-pocket each calendar year before you can receive coverage for most benefits under this plan. The calendar-year deductible begins on January 1 and ends on December 31 of each year. Your deductible is **$500** per member (or **$1,000** per family).

When You Choose Preferred Providers

Under this health care plan you receive benefits only when you use preferred providers, except in covered emergencies. See the charts for your cost share.

Note: If a preferred provider refers you to another provider for covered services (such as a lab or specialist), make sure the provider is a preferred provider in order to receive benefits. If the provider you use is not a preferred provider, you pay all costs even if the preferred provider refers you.

How to Find a Preferred Provider

To find a preferred provider:

- Look up a provider in the Provider Directory. If you need a copy of your directory or help choosing a provider, call the Member Service number on your ID card.
- Visit the Blue Cross Blue Shield of Massachusetts website at **bluecrossma.com/findadoctor**

When You Choose Non-Preferred Providers

You are covered for emergency care only. To receive coverage, any necessary follow-up care must be received from a preferred provider.

Your Out-of-Pocket Maximum

Your out-of-pocket maximum is the most that you could pay during a calendar year for deductible, copayments (including prescription drug copayments), and coinsurance for covered services. Your out-of-pocket maximums are **$6,000** per member (or **$12,000** per family).

Emergency Room Services

In an emergency, such as a suspected heart attack, stroke,or poisoning, you should go directly to the nearest medical facility or call 911 (or the local emergency phone number). You pay a copayment per visit for in-network or out-of-network emergency room services. This copayment is waived if you are admitted to the hospital or for an observation stay. See the chart for your cost share.

Telehealth Services

You are covered for certain medical and behavioral health services for conditions that can be treated through video visits from an approved Telehealth provider. These Telehealth services are available by using your computer or mobile device when you prefer not to make an in-person visit for any reason to a doctor or therapist. For a list of Telehealth providers, visit the Blue Cross Blue Shield of Massachusetts website at bluecrossma.com; consult the Provider Directory; or call the Member Service number on your ID card.

Utilization Review Requirements

Certain services require **pre-approval/prior authorization** through Blue Cross Blue Shield of Massachusetts for you to have benefit coverage; this includes non-emergency and non-maternity hospitalization and may include certain outpatient services, therapies, procedures, and drugs. You should work with your health care provider to determine if pre-approval is required for any service your provider is suggesting. If your provider, or you, don't get pre-approval when it's required, your benefits will be denied, and you may be fully responsible for payment to the provider of the service. Refer to your benefit description for requirements and the process you should follow for Utilization Review, including Pre-Admission Review, Pre-Service Approval, Concurrent Review and Discharge Planning, and Individual Case Management.

Dependent Benefits

This plan covers dependents until the end of the calendar month in which they turn age 26, regardless of their financial dependency, student status, or employment status. See your benefit description (and riders, if any) for exact coverage details.

Domestic Partner Coverage

Domestic partner coverage may be available for eligible dependents. Contact your plan sponsor for more information.
