# Tax Seminar and Workshop for foreign nationals

**Thursday, March 4, 2010**

**12:00 noon – 1:00 p.m., Carriage House, Quissett Campus**  
*Facilitated by Denis Yannatos, Tax Attorney, CPA*

The deadline for filing tax returns to the U.S. Government Internal Revenue Service (IRS) and to the Massachusetts Department of Revenue (DOR) is quickly approaching. The International Committee is pleased to assist our community by sponsoring this seminar/workshop to help you in meeting your tax responsibilities for 2009. (If you have been here longer - or if you just arrived, please come along, it is a very informative seminar).

**Denis Yannatos** is the founder of Great Island International LLC, a provider of U.S., international and domestic tax services. He is licensed in the Commonwealth of Massachusetts as a certified public accountant and an attorney at law. We are fortunate to have this speaker available to us again this year.

Also joining us to offer her support and expertise will be **Long Hong**, CPA Team Accountant with Shepherd & Goldstein LLP.

This seminar will assist you as a foreign national living and working in the United States in understanding your tax responsibilities. The format will be an informal round-table type of discussion where questions and issues can be discussed and addressed.

Please plan to come early so we can get started on time, also please feel free to bring your lunch.
