### 1. Purpose

The purpose of this procedure is to establish the guidelines for bunkering and transferring fuel aboard the R/V Knorr.

### 2. Responsibility

It is the responsibility of the chief Engineer for the safe and efficient bunkering and transfer operations of fuel aboard ship.

### 3. Procedure

Refer to the "Fuel Oil Fill and Transfer" book in the ECR for actual operating procedures and guidelines.

Appendix I is provided as a generic Declaration of Inspection to be used if the transfer facility does not provide one. The Declaration of Inspection shall be retained on board for one month.
