

Human Resources

Work & Life

[Wellness Programs](#)

Because WHOI wishes the highest quality of life for our employees, students, and family members, we are making greater efforts to provide programs that promote wellness and a healthy mind, body, and spirit.

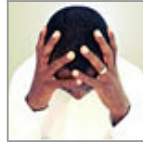

[Life Events](#)

Learn how life events, such as getting married or having a child, effects your benefits.

[Education](#)

The Institution encourages continuing education by offering professional development courses at WHOI and reimbursing certain expenses for job-related formal education courses taken outside of

[Employee & Student Assistance Program](#)

The Employee and Student Assistant Program can provide you and your family members with help in obtaining confidential, professional assistance for a variety of

WHOI.

personal problems.

[Dependent Care Reimbursement Programs](#)

WHOI offers both a Dependent Care Subsidy and Dependent Care Flexible Spending Account benefit.

[Employee Discounts & Loans](#)

WHOI offers loans for personal computers and undergraduate college education for employee's children as well as discounts at a number of educational organizations.

[Housing](#)

The Institution maintains a community housing list as a courtesy to both property owners and those in search of suitable housing.
