

OCB-OA: U.S. Reports and Documents

The OCB Scientific Steering Committee, the Ocean Acidification Subcommittee, and the Project Office has written an [open letter](#) recommending that decisionmakers include ocean acidification as a key consideration in developing future research and management plans.

The U.S. Ocean Acidification Taskforce report, "[Recommendations for ORRAP to convey to the IWGOA](#)," 26 pp.

The OCB community has assembled a [response to the EPA's call for public comment on ocean acidification and the 303\(d\) Program](#). 22 pp.

National Research Council Committee on the Development of an Integrated Science Strategy for Ocean Acidification Monitoring, Research, and Impacts Assessment. 2010. [Ocean Acidification: A National Strategy to Meet the Challenges of a Changing Ocean](#). 21 pp.

[Workshop report: Carbon productivity responses to increased dissolved inorganic carbon concentrations in surface ocean: Exploring the feasibility of an in situ mesoscale carbon addition experiment](#), 23-24 March 2009, Convener/Organizer: [Veronica P. Lance](#) (2009)

OCB Subcommittee on Ocean Acidification, [OCB response](#) to the EPA Notice of Data Availability on ocean acidification. [View EPA docket](#) (2009)

Joint, I. *et al.* [Consequences of high CO₂ and ocean acidification for microbes in the global ocean](#), 24-26 February 2009, [Symposium on Rising CO₂, Ocean Acidification, and Their Impacts on Marine Microbes](#), Honolulu, HI (2009)

Anderson, D. *et al.* [The role of scientific ocean drilling in understanding ocean acidification](#), Summary of the [Ocean Acidification and Marine Carbon Cycling Thematic Working Group Meeting](#), 7-9 January 2009, Miami, FL, U.S. Science Support Program, 9 pp. (2009)

Fabry, V.J., C. Langdon, W.M. Balch, A.G. Dickson, R.A. Feely, B. Hales, D.A. Hutchins, J.A. Kleypas, and C.L. Sabine, [Present and Future Impacts of Ocean Acidification on Marine Ecosystems and Biogeochemical Cycles](#), report of the [Ocean Carbon and Biogeochemistry Scoping Workshop on Ocean Acidification Research](#) held 9-11 October 2007, La Jolla, CA, XX pp. (2009)

[Ocean Acidification: Recommended Strategy for a U.S. National Research Program](#), OCB Ocean Acidification Subcommittee white paper (2009)

Permission has been granted to OCB to post the special issue of *Current: The Journal of Marine Education* featuring "[Ocean Acidification -From Impacts to Policy Opportunities](#)" published by The National Marine Educators Association (NMEA). For more information about the NMEA, please visit their [website](#). (2009)

[Congressional Research Service Report on Ocean Acidification](#) (2009)

Sigler, M. F., R. J. Foy, J. W. Short, M. Dalton, L. B. Eisner, T. P. Hurst, J. F. Morado, and R. P. Stone. [Forecast fish, shellfish and coral population responses to ocean acidification in the North Pacific Ocean and Bering Sea: An ocean acidification research plan for the Alaska Fisheries Science Center](#). AFSC Processed Rep. 2008-07, 35 p. Alaska Fish. Sci. Cent., NOAA, Natl. Mar. Fish. Serv., 17109 Point Lena Loop Road, Juneau AK 99801 (2008)

Dickson, A.G., Sabine, C.L., and Christian, J.R. (Eds.). [Guide to best practices for ocean CO₂ measurements](#). PICES Special Publication 3, 191 pp. (2007)

[Impacts of ocean acidification on coral reefs and other marine calcifiers](#)(2006)

[Carbon dioxide and our ocean legacy](#), Pew Charitable Trust Science Brief (2006)
