This person is also responsible for the Smith, Bigelow, and Iselin buildings and the main WHOI dock. Another Security guard is stationed in the Clark Lobby and is responsible for all Quissett buildings, grounds, and parking lots. A third Security guard is stationed in the Redfield Building and performs security checks of all Village buildings, grounds, parking lots, and Dyer's Dock. WHOI's Guard Force provides after-hours security during the week from 4:00 PM until 8:00 AM the next morning. On weekends and holidays, the Guard Force maintains twenty-four hour, around-the-clock security.

How can we help you?

If you have any business impacting the Security force such as: guests arriving, ships or recreational boats, outside contractors, or building maintenance issues; please contact Bill Sparks, Night Services Supervisor, Facility Security Officer, at (508) 289-3280 or wsparks@whoi.edu.

If you are working after normal business hours, weekends or Holidays please contact the Smith Guard at x3280 or dial "0" and let them know you'll be working. Give them the name of the building, office number, time you'll be working. If you wish a guard to check on you in addition to their normal rounds advise the Smith guard at that time. If you need an escort to your vehicle you can arrange one by notifying the Smith guard.

After-Hours Deliveries

Please review the [Saturday Delivery](#) information on the web, located under the Distribution, Shipping and Receiving Guide. If you have late notice deliveries or unable to notify Shipping/Receiving, or if an order is being issued via Procurement; please make sure the Smith Guard is notified (x3280) so that we can accept your delivery.
