

Facilities: Distribution Services

Distribution at Woods Hole Oceanographic Institution serves a variety of functions, including receiving all goods and mail delivered to the Institution. We are also responsible for shipping scientific instrumentation worldwide to support the Institution's many research expeditions. Distribution employees also handle all [office and laboratory moves](#), deliver and monitor [alcohol requests](#) for the Institution and in the winter, [remove snow](#) from the parking lots and walkways.

Distribution Services is located at:
266 Woods Hole Road, Falmouth, MA 02543
