Major Research Collaborations

[Ocean Observatories Initiative](#)

Funded by the National Science Foundation and overseen by the Consortium for Ocean Leadership, the Ocean Observatories Initiative's goal is to install transformational technology in ocean observatories where it can serve researchers, policymakers and the public.

[WHOI Partnership with King Abdullah University of Science and Technology \(KAUST\)](#)

Through a research agreement with King Abdullah University of Science and Technology, WHOI scientists are studying coral reef ecosystems, fisheries, and water circulation along Saudi Arabia's Red Sea coast.
