CONTACT: Glen Harrington, Health Agent

HOURS: 8:00-4:30 Monday-Friday

The Board of Health enforces the Massachusetts General Laws, the state Sanitary Code, the state Environmental Code, and local health regulations. This includes, but is not limited to, the location, construction and repair of septic systems, hazardous material storage and disposal, solid waste disposal, bathing water quality, private water supplies, private wells, and non-community public water supplies, including setbacks from coastal beaches, dunes, banks, and barrier beaches. In the summer, the board conducts bi-weekly water quality testing of recreational surface waters.

KEYWORDS: Coastal Recreation, Health, Mashpee, Waste Disposal And Treatment, Water Quality, Water Pollution
