

WHSTEP: Newsletter

The WHSTEP newsletter, compiled by the newsletter committee, is published semi-annually, with a fall/winter issue and a spring/summer issue. The newsletters are sent to a receivership of over 400 names. Beginning in January 2009, the newsletter has been distributed electronically. Click [here to subscribe](#). The issues contain a Chairman's report, articles about the annual liaison dinner, the General and Annual meetings, Science Safaris, mini-grant recipients, and any other articles that are of interest to the readership.
