

## Ocean Acidification PI Workshop 2013: Social Media at the OAPI 2013 Meeting

### #OAPI13

We encourage tweeting and responsible social media use to enhance next week's meeting. Our hashtag is #OAPI13, so please use it to help coordinate online conversations. Our expectation is that any speakers who are uncomfortable with this policy will announce their request for confidentiality at the beginning of their remarks, and that those in the audience will respect such requests. We look forward to connecting with the OA community beyond the conference room walls!
