### Offsite housing in Woods Hole

Cape Cod and the Islands (Martha's Vineyard and Nantucket) are important tourist destinations. Many lovely bed and breakfasts, small inns, and medium-sized hotels are located in Woods Hole and Falmouth. October is considered "shoulder season" for housing here, and prices should reflect that accordingly.

See the [Visitor Information Page](#) for additional tourist information.

WHOI maintains a list of [hotels and bed and breakfasts in Woods Hole and Falmouth](#). The meeting organizers have not reserved room blocks at specific hotels, but rooms should be reasonably available if booked ahead.

Please [contact the conference organizers](#) if you have any special needs.

### Public Transportation

Unfortunately, public transportation around Falmouth and Cape Cod is limited. Here are a list of various transportation options, including ferries.

**Bus** - There is one public bus line serving Woods Hole and Falmouth (see the [Travel Information](#) page for buses from Boston and New York). The SeaLine runs from Woods Hole via downtown Falmouth to Hyannis (see [map](#)), departing on the [hour every hour](#) from the Steamship Authority (depending on traffic).

**Bicycle** - There is an [excellent bike path](#) from Woods Hole to the Falmouth bus depot (west end of Main Street) and beyond. Bicycles can be rented in town (near the Falmouth bus depot). Other arrangements might be made.

**Ferry** - The [ferry to Martha's Vineyard](#) departs directly from Woods Hole. There is also a daily [fast ferry](#) to the city of [New Bedford](#), on the west side of Buzzards Bay. Ferry parking shuttles run to various parking lots scattered around Falmouth, an economical (free!) way of getting a ride into Falmouth. Make sure you know which parking lot the shuttle is going to, however, as some lots are not near downtown.

**Taxi** - Falmouth has several taxi services, and there is usually a taxi waiting to meet the ferry from Marthas Vineyard. [Falmouth Taxi](#) (508-548-3100), [Upper Cape Taxi](#) (508-540-1290), and All Seasons Taxi (508-548-9990).

**WHOI shuttle** - WHOI runs a shuttle service between Woods Hole and the WHOI Quissett Campus, about 1 mi (1.6 km) up Woods Hole Road ([map](#)). The shuttle driver will pick up and drop off anywhere along the route. The shuttle runs every 20 minutes.

**Car rental** - If you need to rent a car in Falmouth (as opposed to Logan or TF Green airports), there are several national chains: [Enterprise](#), [National](#), and [Alamo](#).
