

Looking for Climate Change : Your Cup

[Enlarge image](#)

This sketch hangs in the library of the R/V Melville (R/V Melville)

[Enlarge image](#)

Sorry we didn't get a picture before it went down. It was definitely less squiggly before the trip.

[Enlarge image](#)

These cups all went down to 6000 m.

[Enlarge image](#)

The cups on the left went down to 4.3 km. The ones on the right to 6 km. Interesting...
