CCSC provides schools and organizations with lodging and food services for the observation and study of the environments and habitats of Cape Cod on their 48 acres. Accommodations and meal plans made affordable so school groups from all over New England return each year. Groups typically stay at CCSC while they tour Cape Cod, go whale watching, or study the local marine environment.

PUBLICATIONS: No publications.

OTHER INFORMATION: Camp fees depend on accommodations, meal plans, and length of stay. Call for information.

SPECIAL PROGRAMS: CCSC helps any group design their own program utilizing the Capes' resources.

SPIN is a nature consultancy which creates original and holistic programs for all ages (with a special focus on elementary school and adults) teaching the community of whole habitats - linking habitats with each other and with the seasons; linking nature with history. SPIN also teaches the modular pieces of natural history - birds, botany, bugs, et al. SPIN's indoor/outdoor classroom and field trip programs interact with the environment, using the arts as well as the sciences to create an exciting living experience of nature.

PUBLICATIONS: "The Comfort of Herbs" and "Dreaming Monomoy's Past, Walking its Present"

OTHER INFORMATION: Call for program and publication fees.

SPECIAL PROGRAMS: SPIN designs on-demand programs, subject of your choice. Any age or size of group; any Cape location.
