Life at the Institution

Stimulating Intellectual Environment

In an interdisciplinary atmosphere that nurtures discovery, WHOI scientists, engineers, and students collaborate to explore the frontiers of knowledge about planet Earth.

Access to Scientific & Marine Facilities

The Institution operates four research vessels, houses the National Deep Submergence Facility, and provides a variety of support and services through the Iseline Marine Facility.

MBLWHOI Library

For over a century, the MBLWHOI Library has been the intellectual heart of the Woods Hole scientific community.

Transportation

From public buses to bicycle paths learn more about getting to and getting around the institution.

Health & Fitness

Learn about the Institution's fitness facilities, health programs, and medical and safety services.

Dining Services

On the Quissett campus, students can enjoy a variety of breakfast and lunch selections from the Buttery.
