

Human Resources: Personal Car

Many students have a personal car throughout their study and stay at the Institution. Please be aware, though that due to a large number of traffic through Woods Hole, during the summer months it can be quite difficult to find parking.

Parking

On arrival, staff and students are required to obtain a parking sticker to access the campus parking lots. Information about the sticker will be provided to you during your orientation.

Carpooling

The Institution encourages carpooling because of environmental concerns, limited parking, and to help you save money.
