

Human Resources: Summary Annual Report

The Summary Annual Report for Woods Hole Oceanographic Institution Health and Welfare Benefit Plan for Active Employees provides financial information on the benefits we have reported to the Federal Government, that we are required to do on an annual basis.

If you would like additional information about our benefit programs, please contact Human Resources at 508-289-2253. General plan information is found in the Personnel Practices and Procedures available on the Human Resource's site on the [Human Resources Policies page](#) or in hardcopy upon request if you do not have access to the Internet.
