

Teresa R. Johnson, Ph.D.

Assistant Professor of Marine Sciences

School of Marine Sciences, 210 Libby Hall

University of Maine, Orono, ME 04469

Tel: (207) 581-4362, email: teresa.johnson@maine.edu

EDUCATION

Rutgers University: Ecology and Evolution, Ph.D. (2007)

University of Maine: Marine Policy, M.S. (2001)

Bowdoin College: Biology, Government, and Environmental Studies, A.B.(1997)

PROFESSIONAL APPOINTMENTS

Sept. 2008 – Present, Assistant Professor of Marine Policy, tenure-track, Univ. of Maine

Oct. 2008 – Present, Cooperating Professor of Anthropology, Univ. of Maine

Sept. 2007-2008, Post-doctoral Associate, Rutgers University

Sept. 2001-2007, Graduate Research Assistant, Rutgers University

Sept. 1998-2001, Graduate Research Assistant, Univ. of Maine

Jul. 1997-1998, Marine Resources Fellow, Island Institute, Rockland, Maine

RESEARCH INTERESTS

Marine policy and conservation, ecosystem-based fisheries management, marine environmental anthropology, fishing communities, social impact assessment, fishers' ecological knowledge, cooperative research, science studies

PUBLICATIONS

- Johnson, T.R. (forthcoming) Fishermen, Scientists, and Boundary Spanners: Cooperative research in the US *Illex* Squid Fishery. *Society and Natural Resources*.

- McCay, B.J., T.R. Johnson, K. St. Martin, and D.C. Wilson. 2006. Gearing Up for Improved Collaboration: The Potentials and Limits of Cooperative Research for Incorporating Fishermen's Knowledge". Pages 111-115 in A. N. Read and T. W. Hartley, editors. *Partnerships for a Common Purpose: Cooperative Fisheries Research and Management*. American Fisheries Society, Bethesda, MD.

MEMBERSHIP IN PROFESSIONAL ASSOCIATIONS

ICES Working Group on Fisheries Systems, 2004 – present (US Delegate)

Society for Applied Anthropology, 2003-2004, 2008-

American Fisheries Society, 2005

American Anthropological Association, 2007

International Association for the Study of Common Property, 2000-2001, 2007
