

Michael A. Spall

Physical Oceanographer

Senior Scientist

Department of Physical Oceanography

Woods Hole Oceanographic Institution

B.S., Clarkson College of Technology, 1980 (Mechanical Engineering)

M.S., Clarkson College of Technology, 1982 (Mechanical Engineering)

S.M., Harvard University, 1984 (Applied Mathematics)

Ph.D., Harvard University, 1988 (Applied Mathematics)

Staff Engineer, TRW, Redondo Beach, California, 1982–1983

Research Assistant, Harvard University, 1984–1988

Visiting Scientist, National Center for Atmospheric Research, Boulder, Colorado, 1988–1989

Visiting Scientist, Institut für Meerskunde, Kiel, Germany, 1992

Assistant Scientist, 1990–1993; Associate Scientist, 1993–June 2002; tenure awarded 1997;

Senior Scientist June 2002–present; Woods Hole Oceanographic Institution

Editor, *Journal of Physical Oceanography*, 2002–present, Chief Editor, 2009–present

Editorial Board Member, *Journal of Marine Science and Engineering*, 2012–present

Editorial Board Member, *Dynamics of Atmospheres and Oceans*, 1998–2007

Associate Editor, *Journal of Geophysical Research*, 2000–2004

Editor, *Journal of Geophysical Research*, 1999–2000

Scientific Steering Committee Member at Large, CLIVAR, 2009–2011

Research Interests: Dynamics of mid-latitude subtropical and subpolar gyres, frontal dynamics and mesoscale variability, thermohaline circulation, water mass transformation in marginal seas.

Author or co-author of 79 refereed scientific publications.
