

# HMO Blue<sup>®</sup> New England Enhanced Value

## Summary of Benefits

Woods Hole Oceanographic Institution

This Health Plan meets Minimum Creditable Coverage Standards which are effective January 1, 2009, as part of Massachusetts Health Care Reform Law.

# Your Care

## Your Primary Care Physician.

When you join HMO Blue New England Enhanced Value, you must choose a primary care physician (PCP) for you and each member of your family from any New England state. There are several ways to find a PCP: visit the Blue Cross Blue Shield of Massachusetts website at [www.bluecrossma.com](http://www.bluecrossma.com); consult the *HMO Blue New England Provider Directory*, or call our Physician Selection Service at **1-800-821-1388**. If you have trouble choosing a doctor, the Physician Selection Service can help. We can tell you whether a doctor is male or female, the medical school(s) he or she attended, and if any languages other than English are spoken in the office.

## Referrals You Can Feel Better About.

Your PCP is the first person you call when you need routine or sick care (see *Emergency Care—Wherever You Are* for emergency care services). If you and your PCP decide that you need to see a specialist for covered services, your PCP will refer you to an appropriate network specialist. The specialist will usually be one your PCP knows, probably someone affiliated with your PCP's hospital or medical group. Your physician may also work with Blue Cross Blue Shield concerning the Utilization Review Requirements, which are Pre-Admission Review, Concurrent Review and Discharge Planning, Prior Approval for Certain Outpatient Services, and Individual Case Management. Information concerning Utilization Review is detailed in your subscriber certificate.

## Out-of-Pocket Maximum for Certain Copayments.

You're protected by an out-of-pocket maximum of **\$2,000** for each member in a calendar year (or **\$4,000** per family). Only copayments for inpatient admissions, outpatient day surgical admissions, and emergency room visits will be applied to this out-of-pocket maximum. You will still have to pay any costs that are not included in the out-of-pocket maximum.

## Emergency Care—Wherever You Are.

In an emergency, such as a suspected heart attack, stroke, or poisoning, you should go directly to the nearest medical facility or call 911 (or the local emergency phone number). There is a **\$100** copayment per visit for emergency room services. This copayment is waived if you're admitted to the hospital or for an observation stay.

## HMO Blue New England Service Area.

The plan's service area includes all cities and towns in the Commonwealth of Massachusetts, State of Rhode Island, State of Vermont, State of Connecticut, State of New Hampshire, and State of Maine. Please see your subscriber certificate for a complete definition of the service area.

## When Outside the HMO Blue New England Service Area.

If you're traveling outside the service area and you need urgent or emergency care, go to the nearest appropriate health care facility. You are covered for the urgent or emergency care visit and one follow-up visit while outside the service area. Any additional follow-up care must be arranged by your PCP. Please see your subscriber certificate for more information.

## Dependent Benefits.

This plan covers dependents to age 26, or for two calendar years after the dependent is no longer claimed on the subscriber's or spouse's federal tax return, whichever comes first. Additionally, this plan may cover unmarried full-time students or other unmarried dependents who do not otherwise qualify as eligible dependents. Please see your subscriber certificate (and riders, if any) for exact coverage details.

# Your Medical Benefits
