

Woods Hole Oceanographic Institution & the Woods Hole Film Festival present

# Fun & Films for Families

FREE FILMS AT REDFIELD AUDITORIUM  
45 Water St., Woods Hole

**Monday, April 17, 11 a.m.**

**Song of the Sea** – Based on the Irish legend of the Selkies, *Song of the Sea* is a breathtakingly gorgeous, hand-drawn masterpiece that tells the story of the last seal-child, Saoirse, and her brother Ben, who go on an epic journey to save the world of magic and discover the secrets of their past. (93 minutes). After the film, meet WHOI biologist Andrea Bogomolni, who will talk about her work with seals.

**Tuesday, April 18, 11 a.m.**

**Wild Kratts: Creatures of the Deep Sea** – Martin and Chris dive down to the most unexplored habitat on Earth: the ocean trenches. Features a segment filmed in Woods Hole with a WHOI scientist and the research sub *Alvin*. (50 minutes). After the film, meet a real *Alvin* pilot and hear some of his adventures.

**Wednesday, April 19, 11 a.m.**

**The Boat Builder** – A bitter old hermit known around town as 'Captain Crazy' reluctantly agrees to help a young orphan avoid the local bullies so long as he agrees to help him finish his half-built boat. The two forge an unlikely bond, and the boat becomes their one chance to escape from the seaside village that harbors their troubles. A family drama, starring Christopher Lloyd. Recommended for children 12 and older.

**Reserve your seats at [who-whff.eventbrite.com](https://www.who-whff.eventbrite.com)**

*This program is supported in part by a grant from the Falmouth Cultural Council, a local agency which is supported by the Massachusetts Cultural Council, a state agency.*
