Retirement

The retirement plan for employees of the Institution is designed to provide eligible plan members and their beneficiaries with a valuable source of retirement income and certain other benefits. Together with Social Security, 403(b) savings, and a member's personal savings, the retirement plan will help a member to build a financially secure future.

As of January 1, 2011, WHOI's Retirement Plan will be delivered through a tax-deferred defined contribution retirement savings plan. The Defined Contribution Retirement Plan is a 403(b) plan which allows for employees to contribute a portion of their earnings each pay period on a pre-tax basis into the investment fund(s) of their choice.
