PLACES TO VISIT

IN WOODS HOLE VILLAGE

Woods Hole Oceanographic Institution (WHOI) is the world's premier independent organization dedicated exclusively to ocean research, technology, and education. We combine state-of-the-art science, engineering, and ship operations to unravel the mysteries of the deep and devise science-based solutions to planet-wide problems.

PARKING

Woods Hole parking is extremely limited and metered.

There is no parking on residential streets (permit required).

We strongly encourage summer visitors to park at the shopping malls and free municipal lots in Falmouth and ride the **WHOOSH Trolley** to Woods Hole.

The **WHOOSH Trolley**, operated by the Cape Cod Regional Transit Authority, charges minimal fees. For more information on schedules and fees, contact WHOOSH Trolley at 800-352-7155 or capecodtransit.org.
