Q&A: Diversity in the ocean and in science

For MIT-WHOI Joint Program student Jaida Elcock, sharks—and representation—matter

Tonight: A free virtual art exhibit focused on the ocean

Local artists showcase WHOI science, with guest speaker Aditi Wagh. Sign-up now & tune in 7p.m.-8:30p.m. EDT

SYNERGY BELOW THE SURFACE

Reengineering an iconic sub to explore alien worlds

After decades of exploration, WHOI's crewed submersible *Alvin* will embark on its deepest missions yet

Thank you for making waves

Our donors raised over \$50,000 for climate research during the "Make Waves" challenge!
