### Free Coloring Page

Bring your own color to the dark and mysterious Ocean Twilight Zone

EVENT | OCEAN SCIENCE CAFE

### An Explorer's Eye on the Deep Sea

A conversation with *Alvin* pilot Bruce Strickrott

Featured image: We're not the only curious creatures exploring the oceans! Attracted by #HOVAlvin's vibrations, squid often surround the vehicle, peering in at researchers as we peer out.

## WHOI IN THE NEWS

PHYSICS TODAY

**Deploying seismometers where they're needed most**

CONNECT SAVANNAH
