### Measuring the great migration

New technology to track twilight zone animals who play an important role in transporting carbon to the deep ocean

GIVE

EXPLORE

SHOP

### Inspiration and exploration in the ocean's twilight zone

James Cameron, Ray Dalio, Peter de Menocal, and Edith Widder discuss the twilight zone's role in climate

### Do you know the difference between weather & climate?

As the atmosphere warms, scientists look at climate to tell us what to expect from day-to-day weather

### Video: "UN illuminated with twilight zone art"

Siphonophore projection highlights the importance of marine life to global climate during Climate Week

### Help us make waves!

Support climate research with a gift today and get a dollar-for-dollar match in honor of Climate Week
